

Dear Federation member school boards,

Please take time this winter to discuss the topic of a teacher training program as presented by the TED committee this past October. It is very important for all the member schools to be well informed in this matter as we anticipate a vote on this in the near future.

Please take time to complete the following questionnaire. Perhaps addressing a few items a meeting will allow for good board discussion. This questionnaire is a tool which serves two purposes:

- 1.) drive school board discussion
- 2.) provide the TED committee with input from all the member schools.

Please send your completed questionnaire to:

Rick Mingerink, executive director
5539 Byron Center Ave.
Wyoming, MI 4519
Or
rickmingerink@gmail.com

We would like to be in receipt of the completed questionnaire by **March 1, 2015**

Sincerely,

TED Committee of the Federation of Protestant Reformed School Societies
